President **Kirk Schulz**,

each students

Dear Sir or Madam:

I am the inventor of PCT/SG03/00145 patent, also can be seen from www.ycec.net/us/10_469,063.htm, since 2003 year it has entered the United States Patent Office application, but was deliberately illegally reviewed, and later by funny means of rejection is still vivid in the eyes!

As shown in the photo on the right, Trump President is also aware the “**vaccine**” is a bastard and advises children don't take so as to avoid AUTISM only can to avoid become a blockhead!

Please also read the attached attachment, or could from the www.ycec.com/HK/171103.pdf or htm to see my letter to President **Trump** on November 03, 2017 and you will be clearer undoubtedly. The focus from “**vaccine**” that World War III involves all Americans’ safety of life with basic values that unavoidable! 📧

Therefore, I must hereby inform all Americans, **Trump** is a rare and the probably the best President in US, so all American should understand to treasure and give full support, and not to become a flunky employ by the **CP China**!

Also because President **Kirk Schulz** your teachers and students without except are the sufferer of **vaccine** too, if you not immediately to brainstorming, it will be a great humiliation for academic status of **WSU**!

Also therefore, I hope WSU could guide by Your Excellency may lead US society to run out this devil cycle of **vaccine** to rebuild global society civilization, which is one of the themes of this email!

Now returning to the “**vaccine**” theme:

Because by only have “**germs**” rather than “**virus**” infection that my newly medicine discover that only can to lead to the invention of the “**wash lung**” treatment in PCT/SG03/00145 and ahead of time to make public on May 15, 2003, so the SARS crisis of Beijing, Hong Kong, Taiwan with Canada only 30 days after has become the past!

Also the same, in my invention of PCT/SG03/00145 that, I opened a path of life for cancer patient, that just is absolutely effective “**temperature difference**” or common name of “**freeze**” treatment and successful application in HK Hospital after to be reported on September 03, 2003, it was clear at www.ycec.com/Cure-cancer.htm!

But why above two major medical inventions of “wash lung” and “freeze” two treatments should be concealed around the world it will near fifteen years?

Even though the “**vaccine**” originated in the West Country but it was reused by the dictatorship of CP China for a fool tool with at Hong Kong after July of 1997, from the website www.ycec.com/HK/patent.htm it has been well to known:

Firstly, please see the www.ycec.com/HK/160519.pdf or htm. Due to the basis by “**virus infection**” but there is no scientific basis and harmful “**vaccine**” thus no place to hide at here! 📧

Secondly, from www.ycec.com/HK/161007.pdf or htm visible, **Communist dictatorship** as early as after July of 1997 first actual control of in the Director of Health of HK that **Margaret Chan Fung Fu-chun** to seek pretext by “**measles vaccine**” boosters deliberately deceive more than 1.2 million 1-18 years old generation! 📧

Thirdly, also from www.ycec.com/HK/170825.pdf or htm that, then I sent a letter to Chairman of the Council of HKU **Li Guozhang** it can to see, the **Communist dictatorship** only to retain “**vaccine**” of **idiot tool** not to hesitate to sneaky application my “**wash lung**” treatment only can let the SARS crisis has become history, so after disuse at aside of this treatment and let the flu, tuberculosis and elderly pneumonia etc. patients to die a large number them also to stop at nothing, 📧 that is **very bad real nature** of dictatorship in today's China! 📧

More shameful is then the incurable cancer disease to become history under my invention and to appear in the newspapers also must to concealed besides, the **Communist dictatorship of CP China** still to hold the "vaccine" of **idiot tool** not to discard, and first push out the "rotavirus vaccines" and obtain WHO certification on 2004 year to change a new item continued to cajole small children in Hong Kong! 🖱️ Immediately is, designedly to cajole schoolgirl with small girl that "cervical carcinoma vaccines" also in first launched in Hong Kong on 2006 year that as in my letter to the Council of HKU **Li Guozhang** so need not dwell upon at here!

Similarly, why American hospitals also do not have "wash lung" and "freeze" two treatments that can publicly save lives for Americans? Why is it that all Americans, including all teachers and students of universities who are still trapped in the "vaccine devil" trap of the US Centers for Disease Control and Prevention? 🖱️

Owing to the **dictatorship of China** has to hold unlimited public funds can to wantonly bribe other democracies country politicians to defend his stupid citizens "vaccine" devil means, as in www.ycec.com/UN/161215.htm of my open letter to disclosed that have not any base fact to impeachment the **Park Geun-hye** President by Korea's Congress, the case just is international concealment for my PCT/SG2003/00145 medical inventions is the continuation of the most ugly case to continue in the 21st century !

More relevant information from www.ycec.com/UN/120617/witness-history.htm is clearly with no doubt!

As shown in the right picture, a report for the CP China government has by unlimited money successfully to control the Egyptian immigration policy, a vote of power in California, a vote in New Zealand and a UN accreditation permitting media coverage by on year mid of 2017!

Lately, Australia Premier also publicly accused the CP China government of secret bribe control of the political situation in AU!

In the United States, as I said in my letter to President **Trump**, the open to threaten by "911 without end" and secretly bribed **Hillary**

Clinton to dominate the impeachment point for **Trump** wills the stage as **Park Geun-hye** President that clear-cut to come out into the open!

As we have seen above, the **Communist dictatorship of China** does not hesitate to butcher ten million public lives just to maintain his domination to become an enemy of whole mankind who also no to change color at the face of **CP China**! **So this just the cruelest origin of this World War III!** 🖱️

As a result, your university has a **science responsibility** to openly discuss ways to let all students away from the evil hands of vaccines and to question the Centers of Disease Control and Prevention when stopped injecting vaccines? As well as when to let every American hospital have "wash lung" and "freeze" two treatment could be to lifesaving for public?! 🖱️ Heroic American still shouldn't let **Trump** President alone fight for vicious powers of CP China !

However, about the equipment of "wash lung" treatment it can to find at my www.ycec.net or to be authorized by me. I will to make a fresh start the production and sales department and accept any inquiry!

The more importantly is, from the www.ycec.com/HK/161007.pdf or [htm](http://www.ycec.com/HK/161007.htm) that "home health hygiene" by "Saturated brine" it was very simple easy to use and need not to patent authorize, still more merit your anyone teaching, administrative staff and students at once to use and to disseminate use for any American home, that only can to vouch for any diseases hard to occur and to leading the Americans life expectancy to stride forward for 120 years old!

This letter send by email can be found at www.ycec.com/HK/180103-WSU.pdf and it will be file to witness in history of WSU and America, pardon me!

If you have any questions please email to lhc_1993@yahoo.com.hk for me!

Respectfully yours

Dear Sir:

I, Lin Zhen-man, HKID 188015(3) or SGID 2665604D.

It all started with two of my own patent applications, in the strong intervened secretly by CP-China, the two of your predecessors **George W. Bush** and **Obama** who lost their reputation as shown in my www.ycec.com/UN/120617/witness-history.htm. The whole world is also full of this turmoil uneasy..., but yet you still went against all odds to defeat **Hillary** and become elected USA President of the 45th, I am late to express my congratulations, hope you do not mind!

Especially in 2016.12.15 date [that open letter](#), I clearly pointed out:

▣ Now, for any money or belle means non to act on the **Donald Trump** the end stand out at America, American young man to equalize must take vaccine that fool-citizen means also must to stop! The Mr. **Henry Alfred Kissinger** also again in time visit China same as after the open letter to announce on January 17, 2015, and the Donald Trump non again only admit only a China in time same to send out more strong signal to the Jiang Dynasty of CP China ! ▣

As said above, for you as well as **George W. Bush** and **Obama** who have complete faith in CP China, as shown in the picture on the right at **ifeng TV** on May 27, 2017:

Trump Listening: 911 without end! 

Just as expected, before your birthday 2017.6.14, then a white man gunner of Lone wolf style attacked your Republican of Lower House Mr. **Steve Scalise** and even profess to perish Your Excellency at the web..., until a news report to point out you had called :

"... **Xi Jinping and me** are good friends!..." after, the terrorist attack only to little ease at USA..., this quite right is by heavily bribery above that the 911 not finished!

On the contrary, created by the CP China central **Jack Ma** also on 2017.6.20 in Detroit City said in 5 years will create one million job to please you etc. as this double dealings technique already know in global, no wonder the UN Secretary-General **Guterres** to feel that you also will be taken bribes so he nervous to shown on the next day: if the US no longer involved in global affairs, that will be replaced by other country, not a good thing!

But from 2017.8.01, the Chinese Consulate General at **Los Angeles** city the shooting case is clearly show you two power countries that grapple in the dark it were very violent, so without purpose those terrorists attack of lone wolf in US only slightly to ease...

The fact as this, while have huge money to temptation in the dark, to start any lone wolf terrorists attack as easy as turning one's hand over!

Therefore, ago you to start off visit Asia one day, above the "911 without end" by CP China to open threaten Your Excellency again to start at New York to assume again to terrify you must in visit to kneel down to continue help to conceal my invention, because by "vaccine" trick to stupid with flunky all Chinese people all the while just is the core benefits !

It was inevitable, if Your Excellency still no to take the lead admit my **PCT/SG03/00145 in US** Application No. 10/469,063 as **George W. Bush** and **Obama**, it will have most many American lives to died to have no choice! The same, CP China at above open by **911 without end** to threaten Your Excellency it

will to lead blood-stained everywhere still at USA!

The fact is that, the double-factions of CP China by money with corruption to challenge the democratic world that already into the open!

And far from the case, ISIS also by a lot of money after to terrorist attacks “Charlie Hebdo” at Paris on Jan. 07, 2015 to threaten international media can not report my open letter, to see the www.ycec.com/UN/150107a.pdf, because the report time by **ifeng TV** than the French police and ISIS self-disclosure is early and difficult to deny!

Similarly, then secretly donated to the **Hilary** to establish a new political organization on May of 2017 after, by the “Trump-Russia ties” became to advance impeachment Your Excellency that trick same as Korea coup the **Park Geun-hye** in my open letter at www.ycec.com/UN/161215.htm

In other words, Your Excellency and the **Park Geun-hye** ex-President who had a same bad luck, nevertheless lucky that is all, because American media and officials no low as Korean, if not, in my witness at the ifeng TV that commentator also had to be arrogant and conceited: Your Excellency will become second of the **Park Geun-hye**!

And therefore, oncoming to visit South Korea of Your Excellency have a duty to urge now the **Moon Jae-in** President must to guarantee the basic human rights for **Park Geun-hye**! 🇺🇸

Now return to the theme of today: Why must the CP China make full efforts to prevent any country leader to accept my application of PCT / SG03 / 00145 invention which is lifesaving for national?

That is as I a letter to the HKU’s Court & Chairman of the Council Mr. **Li Kwok-cheung** on Aug. 25, 2017, your country in HK’s consulate may be easily to full text translate for Your Excellency, the main points below:

1. All under "virus infection" that vaccines have no scientific basis and can be easily verified;
2. By “bacterial infection” for basis that my “washing-lung” treatment invention is only the way to solve the SARS crisis and any flu in [PCT/SG03/00145](http://www.ycec.com/PCT/SG03/00145) on 2003year;
3. On account the false and harmful of “vaccine” that is already unmask from my invention, it though the fake vaccine original western "invention" but reuse under the current CP-China dynasty that tool for the stupid people, and **Hong Kong began on July of 1997 later by the Margaret Chan Fung Fu-chun** to inveigled 1.2 million under 18years student with children to shot three dosage “measles vaccine”, you can see the www.ycec.com/HK/161007.htm or [pdf](#),
4. The [PCT/SG03/00145](http://www.ycec.com/PCT/SG03/00145) patented invention also includes a "temperature difference" or proverb “refrigeration” treatment that already to open a save life big windows for cancer patient and succeed application in HK hospital reported by newspaper: www.ycec.com/Cure-cancer-hk.htm
5. Because the "vaccine" already seen as a “treasure” tool to fool people by CP China, so above the "temperature difference" or “refrigeration” treatment same must to conceal and a more despicable regime means purposes also in this show no doubt:
 - a. From the Mar of 2006, then the arbitrator of Nobel Arbitration committee visit HK before, at Beijing the Nobel prize **Chen Ning Yang** in the first send to HK to convinced HK’s academia must to prevent Nobel arbitrator to grant Medicine Nobel Prize for me ..., in the TV news it could be to seeing, **Dr. Yang** grit his teeth and said that: “...nowadays China do not need the Nobel Prize!...” and after, all the arbitrator of Nobel by “high standards” to entertain go away after, CP China immediately to statue at Guang-Zhou City thanks for **Chen Ning Yang...**
 - b. Second, under the leadership of CP China **Mr. Jiang**, the health sector of HK immediately lied to incitement girls of HK to shoot more no any scientific basis those HPV vaccine of nipple or cervical cancer ect.! For to lift the lie level, all the HPV vaccine again specially to labeled "British production" and high prices of 2-4K HK\$ only to sell in HK, CP China still can to instigate a large number of Chinese come to HK to shoot, and first let those medicine flunky of HK income to add suddenly...;
 - c. Finally, CP China **Mr. Jiang Ze Min** still easily calls out the HK Government to pay all the vaccine money in the dark after, again to call out the Community Care Fund (CCF) to appear personally free of charge, so all girls of HK no one not to be duped and then their growth still not to good by this vile trick no one not to stupid already, so still have a good offspring?!
6. Not only that, I help **George W. Bush** to eliminated the 911 disaster of the USA 10 / 469,063

invention patent still on hold, the *Bush junior* promise for me that may be temporary no to mention, but I had same two patent application in China still held up till now, but as the entry and exit control *eGate* claim, the CP China still can to order the HK patent office at ten years after to forge a HK patent let HK's the entry and exit control Director of HK had an excuse of small bandit to refuse to pay the tort expenses and already to *Along the Way* for other countries by CP China etc. that temporary not to bring up might as well, but I must hereby clearly and undoubtedly to tell Your Excellency with other country leader :

☐ ...include the *eGate* claim that 《three measures of aviation security》, and above the "temperature difference" treatment, "washing-lung" treatment with the health hygiene at home of "saturation-brine" total the four inventions for the world everyone does not avoid and will Millennium unchanged! ☐

I also must inform the whole world, my invention still not made public and everyone must to use. We can not again to endure those total lack of humanity principle of power politics prefer to kill ten million life still to be perverse again and again continue to conceal medicine invention, and again to endure our global village full of the bandit face for mankind civilization to big fall back!

7. ...

When the above the letter was send to Universities of HK by email after, "HK's independence" at democracy wall that disturbance unceasingly, unfortunately, all the HK-U's student to incur hitherto unknown "kill no pardon" that open threaten quell, all teacher also to face will never to employ threaten and by a small pretext to expel an can not obedient of elementary school principal to demonstrate authority by educate director of HK..., so the Ministry of Public Health of HK to continue rigorous all medium continue to lie to cheat citizen to shot flu **vaccine** of no any scientific basis, because false "One County Two system" in HK to be not in as my letter those fact!

The above fact can not to deny, seen from the right, Your Excellency same to know the perniciousness outcome **by vaccine** already !

And therefore, see the www.ycec.com/HK/171003.pdf, when the e-mail send to Taiwan's Universities since 2017.10.01 after, by a report to shown, Your Excellency was depth perception to tell on Oct., 5, 2017: "this is calm before the storm!", so attracted some media to speculation !

It is because you are convinced that hateful crime of conceal by CP China it will to outbreak at the critical!

Similarly, ex-WHO *Margaret Chan* only can at the Switzerland an iceberg to digging pit for suicide also do not dare return to Hong Kong face to the public, but WHO how to step down from the stage it also spectacular, no wonder the above UN Secretary-General *Guterres* who so as this nervous !

In China, the Communist Party still have how much dignity can to govern China also emerge the level already, so on the six months ago, by a reports to shown, *Xi Jinping* also to proposed in China to change to execute a presidential system, but as you recently said, *Xi Jinping* still not a king!

No wonder there was a report to point that *Jiang Zemin* just in the "Nineteen large" to admit the "*Xi nucleus*" that only a games aims to cheat *Xi Jinping* to substitute and unjustly take the blame for *Jiang Zemin*!

Especially in March this year ago, by www.ycec.com/911/161202b-uk.pdf can be seen, at your country that *eGate* of entry and exit control also not dare to open tort application my two doors of the program, so only can to separate application!

But to stay a security hole and the efficiency will never be resolved, and including in your country that 10/029951 application still exists only to be shelved still be modified, so I made the same request to you is only a matter of time!

Also by www.ycec.com/911/170123-uk.pdf that was similarly, then I also as this claim to more than 50 countries that *eGate* of entry and exit control time, but because temporary carelessness, so to omit introduce above the "temperature difference" treatment that total my four large inventions everyone does not avoid!

That is to say, the US medical reform does not have any meaning, only to admit my invention, let every

US hospital have the "**temperature difference**" with "**washing-lung**" two treatments to lifesaving for more Americans! And must to recommend the health hygiene at home of "saturation-brine" let every American family to free share my this invention that only can to guarantee American an average life span to outstrip 120years, furthermore can to by a wide margin to reduce USA that sanitation expenses, this only is the most important nucleus benefits for America!

The details of health hygiene at home of "saturation-brine" can to see at www.ycec.com/HK/161007.pdf that perfectly clear and need not patent expenses!

Your Excellency already 71 years old, if you want to live till 120years old and be less likely to fall ill, this health hygiene at home it cannot missed, if you have time, again to "washing-lung" once at hospital, you live to outstrip 120years old really not difficult!

All aimed at virus for cause those "vaccine" without any scientific basis from this webpage at : www.ycec.com/HK/160519.pdf also no need to argue again, and the "vaccine" large battle at HK to see the www.ycec.com/HK/patent.htm and because your Chinese person of talent very many, I think you will lead the way to propagandize and derive benefit for all American necessary, because Your Excellency have plenty of public morality and need not see the facial expression from CP China !

Your Excellency will visit Beijing soon, the CP China is most looking forward to take this matter in secretly to coax other countries' leaders: " ... you see, Trump also obediently docile already!", its purpose aimed at intimidating other countries' leaders to not admit my invented and apply. Consequential is, global civilization will experience major setback, the present inventors have to be in this to speak bluntly, please do not blame!

Due to not being able to look for your facsimile number at your webpage, so this letter must be faxed to U.S. Consulate General Hong Kong office, Consul General Kurt W. Tong has a duty to inform president Your Excellency and to assist translate interrelated Chinese attachments at once! 📠

This letter can be found at www.ycec.com/HK/171103.pdf to download or the Chinese original draft at: www.ycec.com/HK/171103-hk.pdf, because this letter's subject matter same to related for anyone country common people's life vital interests, therefore, this letter will transmit to consult for other countries leaders!

Thank you!

Respectfully yours
