I, Lin Zhen-man, HKID **D188015 (3)** or **SGID 2665604D**.

First, it can be seen from the news that **Wuhan's "new crown pneumonia"** faked by the China Gov., **already** calamities **America** now!

Fortunately, that can be see from [www.ycec.com/HK/200213.pdf](http://www.ycec.com/HK/200213.pdf), I had a letter to Your Excellency on Feb., 13, 2020, in that I have informed Excellency, if the simple "**Lung-Airstreams Epidemic Prevention Law**" can be using, any kind of flu including **Wuhan's "New Crown Pneumonia"** can get off!

Unfortunately, in the news, **Your Excellency** with Secretary of State **Pompei** can't fight success, and the US Food and Drug Administration (**FDA**) once again censure you are uninitiated may not lead medical a specialty! But you are still not wearing a surgical mask; it was obviously that my letter above was not wasted!

Also due to the **FDA** to make public on February 4, 2020 to authorize **CDC** use to supply by CP China or HK's medicine system those test-kit, but this **test manner** already to abnormal only for a lawless **Quarantine Order** to exceed the baseline of medicine morality to become and far more than **Hitler** the arrest order only can convenient to murder ! This is prompt by "**New Crown virus dynasty**" to scourge USA's history witness!

It same news shown on March 15, 2020, not any morbidity of **Excellency** you proclaim already undergo **saliva and booger** test but not a "**positive patient**" of "**New Crown Pneumonia**". So you do not need to **quarantine** that, very fortunately, removed the chance of be murdered by them!

But just too badly the "**New Crown virus dynasty**", so by college of medicine of CUHK published more new rubbish test means of **excrements, urine** with deeply asleep after the **smelly saliva** to make public on March 18, 2020, there are more details at [www.ycec.com/HK/YellowPeril.htm](http://www.ycec.com/HK/YellowPeril.htm) to be see. Also, in human **waste** or **smelly saliva** that germs virus anyone have to still a normality, but if **Excellency** must again to test to separate murder that chance will big increase, so please remember!

Now, today this letter just for **FDA** why can to ratify **CDC** use above to tort, fraud that test means below:

First, is also seen news, current to disaster by **CDC** that **confirm diagnosis** of "**New Crown Pneumonia**" case already to exceed 50,000 cases, how to "**confirm diagnosis**"? Namely by ordinary people that **mouth** and **nostril** to scrape out the "**saliva or booger**" again to testing, this means exactly to come from HK & CP China the medicine a fraud!

But is it your **FDA** or **CDC** who don't know all the "**saliva or booger**" are **things outside the body** or "**ectoparasite**"? How can to use for "**confirm diagnosis**" morbidity in **body**? Even if not a professional of medicine also understand at a glance, how can to **diagnosis** as a diseased or questionable an invisible infector then still more highly absurd!

Because everyone does not live in the atmosphere where all kinds of germs can fly, so the "viruses" are plentiful everywhere? If the bacteria does not enter the lungs and only stay the mouth, or **clap your hands** **the germs may not have a chance to be killed**, so there are different **viruses** or germs **cannot killed** for a **while inevitable**, and necessarily have some positive of strong or weak can to check, but this early a normality of life and not bring harm to health of another person! Yes or not? 

This is just today's international medical fraud and crazy to "virus" this dead still can from "person to person" and to propagate, in fact to infringe human rights the maximum evil at here!

As months ago I wrote a letter to **Excellency** which can also be viewed at [www.ycec.com/HK/180516-UN.pdf](http://www.ycec.com/HK/180516-UN.pdf) that by email to all university of USA one of open letter here, only by a small experiment in [www.ycec.com/HK/160519e.pdf](http://www.ycec.com/HK/160519e.pdf) it just can confirm the **virus** this **non-biological** that infect just is past great a medicine fraud and already known worldwide!

But why today's **FDA** or **CDC** of USA still same as **CP China** in every day to brag the **virus infect** with the **vaccine** it can enhance **antibody** and continue to cheat Americans?

It is sure behind your **FDA** or **CDC** there is a powerful **vaccine** and **drug** consortium, if who allow America hospital use my invention that "**wash-lung**" with "**freezing**" of particularly effective for cancer patients two treatment to open for all American, especially is the "Saturated Saline" and "**Lung-Airstreams Epidemic Prevention Law**" of two home health hygiene at same time to know all American after, those medical consortia will majority go bankrupt with hospitals and clinics will disappear 2/3 ! Therefore, your **FDA** and **CDC** who with **CP China** particularly easy to connect in coordination, because the vaccine as early to use for fools tools and to deemed a "national treasure" by CP China this "**New Crown virus dynasty**", if not by their collude in coordination, today, the "**New Crown Virus**" disaster America will be even more difficult!

And from the right picture visible, now **WHO** Director **Tedros Adhanom** with **ex-WHO** Director **Margaret Chan** that **Aboluow news** to on purpose exposure on March 8, 2020 with **CP China** to donate \$20 million USD for **WHO** after, but can not wait to first visit **Wuhan city** the **Xi Jinping** only to announced China's epidemic is over and at once to remove the **mobile cabin hospitals** to witness!

But less than 3hours after, **WHO** Director **Tedros Adhanom** who is fully aware the **Wuhan pneumonia** forges but only compelled to kneel down and announce **Wuhan epidemic** will pandemic worldwide!

**WHO** really has been very clear as early on to be under the control by the **CP China Gov.**, and it then **Tan Deux** kneel to announced **global pandemic** the next day, by the faculty of medicine of **HKU** that instant test-kit to make public them already to provide exceed that Public health laboratories of 40 countries also success to find out locally definite diagnosis of sufferer and reported on March 31, 2020,

If democratic state that party in power still not to feint a silly to use that have to attack by **opposition party** and difficult to defend, therefore, above diagnosis disease the rubbish trick already to become the politician infighting with murder a tool! Today fake **Wuhan "new crown pneumonia"** has already to cause trouble the world with USA to come from too!

Therefore, to prosecute your governing body of **FDA** and **CDC** that **law duty** already to brook no delay, too absolutely not has **WHO** today's kneel down identification that just let "**saliva or booger**" to change for a things in the body can to witness morbidity to take the place of them innocent!

And still need not to appeal for South Korea to supply the above mentioned **rubbish test-kit**, if any fever person was taught my "**Lung-Airstreams Epidemic Prevention Law**" to use fever will recover at once and never again! Today by **WHO** again **kneel down** to support the calamity worldwide & USA of "**Yellow Peril**" it will be so far! 🇺🇸

This letter can be found at [www.ycec.com/HK/200327.pdf](http://www.ycec.com/HK/200327.pdf) / [www.ycec.com/HK/200327-hk.pdf](http://www.ycec.com/HK/200327-hk.pdf) or [htm](http://htm.ycec.net) or change to [ycec.net](http://ycec.net) or [ycec.sg](http://ycec.sg) it will to read. Because my time very limited, if there are any English errors to be changed, it maybe to see on after. The letter will by Fax to your Consul in HK who bound to transfer to President Excellency again, pardon me!

Thank you!

Respectfully yours
